## *July 2 - July 5, 2010*

The Science, Spirit, and World Transformation Conference is like no other conference—it is an experience that will continue to inspire and uplift you for years. A coming together of a variety of cutting-edge speakers at the top of their fields, experience service-oriented people bringing forward timely and empowering messages to aid in the awakening of humanity and the Earth.

Set on an energy vortex and UFO hotspot at the base of Mt. Adams, come explore topics such as Self Mastery and Enlightenment, Ascension, UFOs & ETs, Future Technologies, Exopolitics, Spiritual Evolution, the "Fire the Grid" project, 2012, Messages from the Masters, Huna, Earth Changes, Releasing Negative Influences, and more!

Each evening there will be a Sky Watch to experience the ongoing UFO activity along with the opportunity to commune and meditate with the wonderful energies at the Sanctuary. Enjoy live music, meeting likeminded people, and camp under the stars!

**Registration:**  
**\$279 before July 1st,**  
**\$299 after July 1st**
